Knight Solutions, is an award winning General Contracting firm with over 100 employees in more than 15 locations nationwide, with a solid 8-year reputation for outstanding production quality, ensuring high safety standards and utilizing a high-performing workforce to meet and exceed our customers needs.

Knight Solutions maintains three dynamic divisions which include Cemetery Renovation and Maintenance, Grounds Maintenance and Landscape Construction and General Construction. Additionally, Knight Solutions manages several GSA Schedules which include facilities maintenance, construction equipment, automotive spare parts, snow removal equipment, forestry equipment and green building materials.

Knight Solutions is the first Leesburg based company to win the prestigious Veterans Affairs Business Award for its dedication to employing veterans of current US conflicts and position its self as a veteran-friendly organization.

In the General Construction division, we perform a wide variety of construction services, including but not limited to design/build, renovations, historic renovations, building additions, demolition, paving, masonry, drywall/painting, military family housing, siding, flooring, environmental, shoreline protection, and construction management.

Our General Construction work can be seen at the following key locations: *National Institute of Health, US Treasury Department, Fort Belvoir and many more.*
